Checking In

Check-in will be outside the lunchroom.

Coaches and Parent Coaches

- **Coaches** of team Mathletes should check in for all students on their team when **all are present** on-site. Coaches will receive certificates for their Mathletes and themselves and should review them for errors.
- **One parent and/or coach** of Individual Mathletes should sign in their participants. Parent Coaches will receive certificates for their Mathletes and themselves and should review them for errors.
- **Certificate errors** should be reported at the check-in desk. Corrected certificates will be mailed to addresses provided.

Volunteers

All Volunteers should check in to be directed to their assignments. A name tag will be provided.

MATHCOUNTS® OF CALIFORNIA

42nd Northern California Competition
Program and Information Sheet

1:15–2:30 p.m.	Countdown Round	Theater
2:45–3:30 p.m.	Awards Ceremony	Theater

Competition Information

Testing Format

- Seating is assigned by tables. There will be maps with the table seating chart posted. Proctors can also direct students to their proper seats.
- Mathletes should be in their seats on the main floor at 9:40 a.m. for the Sprint Round.
- The procedures for each test will be presented by the Head Proctor.
- Mathletes who are not on a team can participate in the Team Round on an unofficial basis. Their papers will not be graded.

- Please refer to the MATHCOUNTS Handbook for the competition rules. The coordinator will make all decisions affecting the results of the competition.

Student Supplies

- Mathletes are expected to provide their own pencils, erasers, and calculators.
  Please note that Mathletes are not allowed to use calculators during the Sprint Round. Coaches can keep the calculators until the start of the Target Round. Mathletes can get their calculators during the break after the Sprint Round. Calculators are only allowed on the Target and Team Rounds. Calculators with a QWERTY (typewriter-style) keyboard are not allowed. Calculators and erasers are not to be shared. Coaches, please bring extra.
- Scratch paper will be provided with the tests and collected before Mathletes leave their tables.

Food

Lunches will be provided to Mathletes and Coaches. Lunch tickets are in the registration envelopes.

Coach/Parent Responsibilities Prior to the Competition

1. Provide Mathletes and guests the directions to The Harker School (Google Maps link above).
2. Make sure each Mathlete attending the competition has signed the Media Release Form. They will be turned in at check-in on competition day.

Coach/Parent Responsibilities the Day of the Competition

1. At the check-in table, Coaches/Parents verify Mathletes are present, pick up check-in envelopes, and turn in Media Release Forms.
2. Make sure Mathletes understand that where they are to sit, per the assigned table.
3. Help make sure Mathletes get back onto the main floor promptly after breaks
4. Stress that Mathletes are not to share test questions or answers until these are released in April by MATHCOUNTS.
5. Do not enter the classroom buildings.

Awards

- Team Competition — First Place through Third Place team members will all receive trophies.
- Individual Competition — First Place through Tenth Place will receive trophies.
- Team Coaches – The Coaches of the First Place through Third Place Teams will receive trophies.
- Individual Coach – The Coach of the First Place individual will receive a First Place Coach Plaque
- Countdown Round — First Place through Third Place will receive trophies.

National MATHCOUNTS Competition

The top four individuals from California (taking into account scores from both the Southern and Northern California State Competitions) receive an all-expenses-paid trip to the RTX MATHCOUNTS National Competition, where they will compete as individuals and as a team.

Saturday, May 10, through Monday, May 12, 2025
Washington, D.C.

MATHCOUNTS of California Sponsors

MATHCOUNTS of California is sponsored by the National Society of Professional Engineers — California.

Interest in and aptitude for math and problem solving can lead to a promising career as a professional engineer.

NSPE-CA NATIONAL SOCIETY OF PROFESSIONAL ENGINEERS – CALIFORNIA

Hosting Sponsor

The Northern California State MATHCOUNTS Competition gratefully acknowledges The Harker School as the **Hosting Sponsor** for this event.
